Create Your Account and Sign In

Setting Up Your Account · https://www.serpsmoothie.com/support/setting-up-your-account/create-your-account-and-sign-in/

What you need

- A valid email address
- A payment card to start the 7-day free trial (no charge today)

Create your account (accurate in-app flow)

1) Start

- Go to the registration page.
- Either click “Sign up with Google” or enter your email and submit “Sign up with email”.

2) Account details

- Fill in: Full name, Password, Password (again).
- Check “I agree to the Terms of Service and Privacy Policy”.
- Click “Next”.

3) Select plan

- Choose a subscription plan and billing period (Monthly or Annually with discount).
- Click the trial CTA (e.g., “Start 7-Day Free Trial”).

4) Billing (trial activation)

- Enter card details (or use “Pay with Link” if available). You won’t be charged today; the trial starts immediately.
- Submit the form to start your trial.

5) Connect Google accounts (optional now, recommended)

- Connect Google Ads and Google Search Console via the on-screen “Connect” buttons.
- You can choose “Skip for now” and connect later in Settings.

6) Finish

- You’ll see a completion screen and be taken to your dashboard.
- If prompted for email verification, check your inbox and verify. You can resend the verification email from the verification screen.

Sign in

- Standard: Enter your email and password on the login page.
- Google: Click “Sign in with Google”.

Forgot your password

1) Click “Forgot Password” on the login screen. 2) Enter your email and submit to receive the reset link. 3) Open the email, click the link, then set your new password and confirm.

Email verification (when prompted)

- If you see the verification screen, use “Resend Verification Email” if needed.
- After verifying, return to the app and continue.

Sign out

- Use the user menu → Sign out.

Next steps

- Create your first project and invite teammates.
- Connect your Google Ads and Search Console if you skipped during onboarding.
